

QUALITY, ENVIRONMENT, SAFETY AND HEALTH POLICY AT WORK

Our organization carries out the design, manufacture and repair of industrial equipment, pressure vessels, and metal structures.

Our goal is to satisfy the client's requirements, strictly execute the work in accordance with the legal and technical regulations, and with other requirements that the organization subscribes in matters of quality, environment, safety and health in the workplace.

We aim the participation of our employees and our union representatives in all our activities, with emphasis on the prevention of pollution, injuries and illnesses. We provide training and raise awareness about the need to eliminate hazards and reduce risks.

We are committed to promote continuous improvement in our integral management system, protect the environment and provide safety and healthy working conditions.

INDUSTRIAL MOREYPI S.A has defined an integrated Policy to establish the Quality, Safety and Occupational Health and the Environment organization action lines.
